13. [] LIAISON Charles Lombard, Senate Aeronautical and Space Sciences Committee staff, called with three items on his mind. He wanted to know if we had seen Senator Barry Goldwater's remarks on the floor of the Senate about the Director's dismissal and the need for continued Select Committee investigations. I told him we had indeed seen them and forwarded them to the Director. Secondly, Lombard asked if we were aware of any newspaper clippings which would support the argument that the proceedings of the Select Committees were damaging the Agency's operations abroad. I suggested he raise this with []

[] Review Staff. Thirdly, Lombard said [] who previously worked for [] and is now on the staff of [] is interested in a position with the Agency when the current investigations are completed and asked if I could check on the possibilities for him. 14. [] ADMINISTRATIVE Called Mr. James Stimpson, OMB, regarding his suggestions to [] that we make certain changes in our prepared statement before the Senate Judiciary Subcommittee on Administrative Practice and Procedure tomorrow. I told Stimpson that the statement was completed and ready to go to the Subcommittee and I felt we had adequately covered the points which he raised in slightly different words. After going over these items individually, Stimpson agreed but made it clear that we should not take a position with the Subcommittee which would be construed as support for Chairman Edward M. Kennedy's (D., Mass.) bill, S. 2515.

15. [] LIAISON Called Guy McConnell, Senate Appropriations Committee staff, to advise him the Senate Subcommittees of Health and Administrative Practice and Procedure staffers were pressing us very hard to declassify several documents including IG reports which we felt we could not make public. I told McConnell I would appreciate it if he would inform Chairman McClellan of this development in the event he felt it appropriate to take the matter up with Senator Edward Kennedy (D., Mass.) at tomorrow's hearing. McConnell said he would talk with the Senator about it.
